ANSWERED ON:08.08.2002
MANUFACTURING OF AMBULANCE
JAYASHREE BANERJEE

Will the Minister of DEFENCE be pleased to state:

(a) whether ambulance has been manufactured in the Defence vehicle manufacturing factory, Jabalpur, Madhya Pradesh;

(b) whether the Government propose to provide ambulance to the consumers in the wake of open market competition; and

(c) if so, the details thereof?

Answer

MINISTER OF DEFENCE (SHRI GEORGE FERNANDES)

(a) Vehicle Factory Jabalpur has developed a prototype of an ambulance, based on the technology obtained from M/s TELCO and offered it for trials to Army.

(b) & (c): The prototype is expected to suit the specific requirements of the Army and is not for the civil market.
